THE MINISTER OF STATE OF THE MINISTRY OF PLANNING AND PROGRAMME IMPLEMENTATION AND MINISTER OF STATE OF THE MINISTRY OF SCIENCE AND TECHNOLOGY (SHRI YOGINDER K. ALAGH) : (a) and (b). The Liquid Propulsion Systems Centre Mahendragiri Facilities (LMF) are a part of the Indian Space Research Organisation (ISRO) and presently come under the Liquid Propulsion Systems Centre (LPSC) with headquarters at Valiamala, Thiruvananthapuram. The existing facilities at LMF are being augmented appropriately, where necessary to meet the current and future testing requirements in the context of development of advanced liquid propulsion systems.

The question of giving independent status to LMF does not arise, since it is a major ISRO facility mainly catering for the ground testing of liquid engine stages and subsystems developed for the Indian Space Programme. It thus forms part of the facilities set up for supporting a well integrated Programme.
